

Extra Credit Assignment 11 (last one!)

Due Friday, April 30, 11:59 PM

As we near the end, reflect on how your semester has gone. You can construe this in the context of Math 2471, or in the context of your college life in general.

What have you done that you would like to keep doing?

What have you done that you would like to change?

What has the academic system around you done that you would like to see continue? (The system includes your professor(s), mentor(s), advisor(s), staff, et cetera.)

What has the academic system around you done that you would like to see change?
